Southwest Florida Community Radio, Inc., the procedural date requiring the filing of proposed findings of fact and conclusions of law on August 10, 1992.

Today, all the parties (except for Mims) have filed a Joint Request for Approval of Settlement Agreement which, if granted, would result in the dismissal of the applications of BBN and Southwest in return for reimbursement of a portion of their legitimate and prudent expenses. In such case, it would not appear to be a useful act for either BBN or Southwest to prepare and file proposed findings of fact and conclusions of law by the August 10, 1992 date. On the other hand, in the event the Presiding Judge should determine not to approve the Settlement Agreement, BBN and Southwest desire to preserve their rights with respect to the prosecution of their respective applications.

To this end, the undersigned parties respectfully request the Presiding Judge to suspend the procedural date for filing findings and reply findings with respect to BBN and Southwest until the latter of (a) the date on which the Settlement Agreement is approved, or (b) in the event the Settlement Agreement is not approved, ten days after the date of the Presiding Judge's Order declining to approve the Settlement Agreement.

WHEREFORE, the parties believe they have shown good  
cause for the grant of this Motion.

Respectfully submitted,

CENTRAL FLORIDA EDUCATIONAL  
FOUNDATION, INC.
